Tourism is a strategic sector in Mozambique. The Tourism Ministry chose Mzbusiness.com to develop the Official Tourism Portal for Mozambique.

The result is an hybrid Portal [www.visitmozambique.net](http://www.visitmozambique.net) containg information about the Ministry, investment, touristic destinies and agents, targeting potencial tourists, government employees, tourism agents, investor, and others.

From the potencial tourist perspective, the Portal offers information about culture and history, places to visit, where to stay and eat.

From the Ministry employees perspective it is an extranet providing a database of travel agencies, tour operators, hotels, restaurants and related services. Tourism agents can easily liase with the Ministry throught the available services.

Agents and other businesses can also advertise their services in the Portal.
